

Representing the Mining & Industrial New Construction and Retrofit Markets

Waterstop for Industrial &
Environmental Applications
www.earthshield.com

- TPV chemical resistant waterstop for concrete joints; NSF Standard 61 Certified, EPA compliant
- Hydrophilic strip waterstop
- Earth Shield waterstop retrofit systems
- PVC waterstop

Mining, Transportation & Safety Compliance
Training Services
www.mccrarencompliance.com

- Provides safety training & consulting services
- Specializing in mining, construction & fleet safety
- Safety staffing for your projects & bids

www.bpcomposites.com

- TUFF-BAR fiberglass rebar
- Fiberglass rock bolts, soil nails

GEOPOLYMER SOLUTIONS, LLC

Cold Fusion Concrete
www.geopolymertech.com

- Fireproofing
- Acid resistant concrete

TEKNOS

Mining Consultant
www.teknos.com

- High Performance Coatings
- Anticorrosive protection systems
- Heavy-duty containment system

**GATEWAY^{LLC}
COMPOSITES**

www.gatewaycomposites.com

- Structural strengthening & reinforcement fabric
- Basalt fabric
- Epoxy coatings

Coletanche Waterproofing Solutions
www.coletanche.com

- Pond liners • Bituminous geomembrane

Manufacturer for Fiberglass Products
www.fibracan.com

- Fiberglass pump barges
- Fiberglass tanks

EUCLID CHEMICAL

Concrete Repair Materials
www.euchlidchemical.com

- Epoxy coatings
